Price Protection on eligible products: Our Proactive Price Protection (PPP) compares the item price you paid on StaplesAdvantage.com to the lowest online advertised item price of Other Online Retailers for many identical products, exclusive of shipping, within the Monday-Sunday week of your purchase. Staples automatically credits your account for any eligible price difference in excess of one dollar within 30 days of your purchase date, with applicable taxes, up to \$1,500 per Membership Year. Excludes paper, water, gift cards, Staples® Brand Products, TRU RED™, NXT Technologies™, PERK™, UNION & Scale™, COASTWIDE Professional™, and orders under \$50. Products must be new and sold and shipped by Other Online Retailers to qualify. Other Online Retailers means Amazon™, Office Depot® and WB Mason™. Some promotional prices and special events (of Other Online Retailers) may be excluded. Please speak with your representatives for more details on the exclusions. Staples may suspend your PPP based on a material deviation from your anticipated spend or assortment; see MyPremium web page for terms as PPP offering may change.
